

Black Line - Bleed line: Extend background artwork out to this line. Allows for possible shift when printing or cutting.

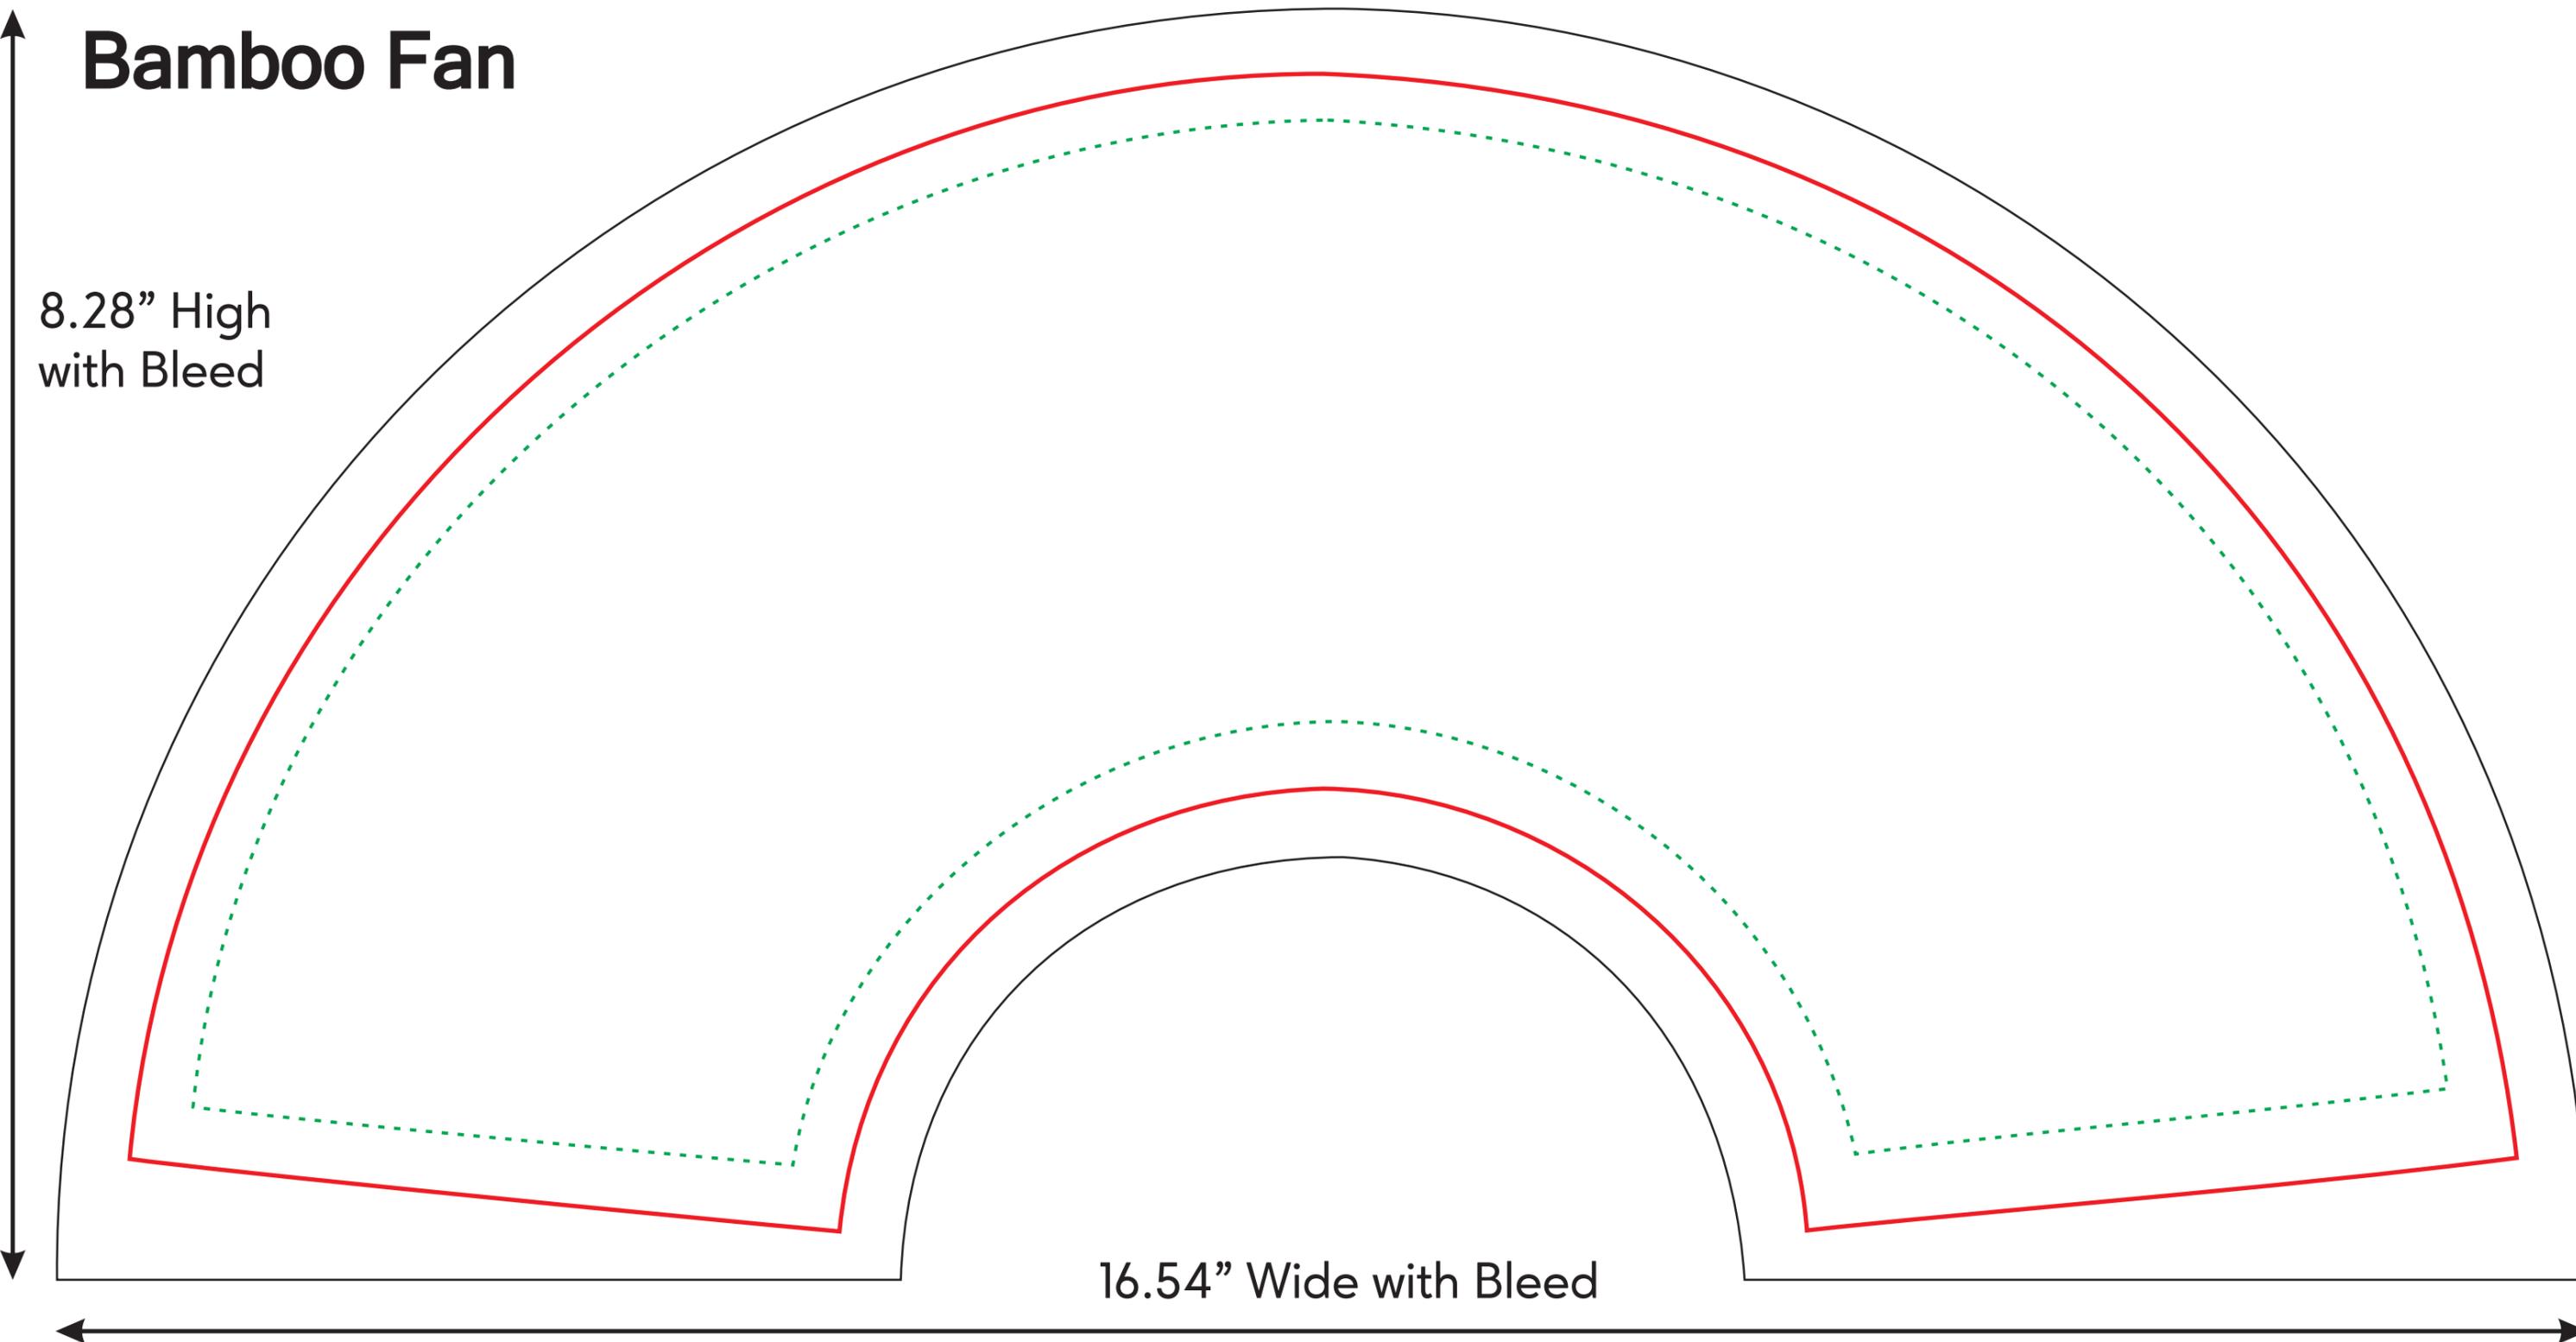

Red Line - Cut line: This is where the paper is cut.

Green Dotted Line - Safety area: Text or objects placed outside this area may get cut off if there is a shift during the cut process.

Bamboo Fan

8.28" High
with Bleed

16.54" Wide with Bleed

Artwork Requirements

We prefer vector art, with the fonts converted to curves. Acceptable vector formats are Adobe Illustrator, CorelDraw, EPS, and PDF files.

Acceptable image formats are high resolution (300 dpi at 100% of size) jpg, tiff or png files.

We do not accept Publisher, PhotoShop, InDesign, PowerPoint, Word files or SVG files.

Colors must be formatted in CMYK color mode. RGB colors will be converted to CMYK, which may result in changes to the colors.

For the printed handle, please indicate a PMS color.

Handle Print

Optional: additional charge

PMS color for handle print: _____

0.6 cm x 6.5 cm
